

2 Simple Recycled Castanets

You can easily make a musical instrument!

Image

Materials & Tools

- Paper carton
- Plastic bottle cap

How to make

- 1 Cut a paper carton to 20 cm in length and 10 cm in width.
- 2 Fold it slightly, but not completely.
- 3 Draw a picture on it if you would like.
- 4 Attach a bottle cap with tape slightly away from the edge of the cut paper carton.

How to play

- Play by tapping the bottle lids against each other, creating ticking noises.

4 Balloon Gun

The distance the ball flies depends on how strongly you pull the end of the balloon.

Materials & Tools

- Balloon
- Plastic cup
- Tape
- Scissors
- Small ball

How to make

- 1 Tie the ends of the balloon and cut off the round top with scissors.
- 2 Unfold the balloon and place it over the plastic cup, then tape it securely in place.

How to play

- Put a small ball inside the cup, hold the cup with one hand, pull the balloon, and then release it to make the ball bounce.
